Séléna Poun

Full-Stack Developer - JavaScript / TypeScript, React, Node.js

selena.poun@gmail.com Lyon https://sele-nap.github.io/ Open to remote work

Full-stack JavaScript / TypeScript developer with nearly 4 years of experience (React, Next.js, Vue.js, Node.js, AWS). I have shipped web, mobile (React Native) and real-time 3D (Three.js) applications to production, with a strong focus on UX, accessibility and maintainable code.
